

I²U Projects – Evaluator’s Portal

Link

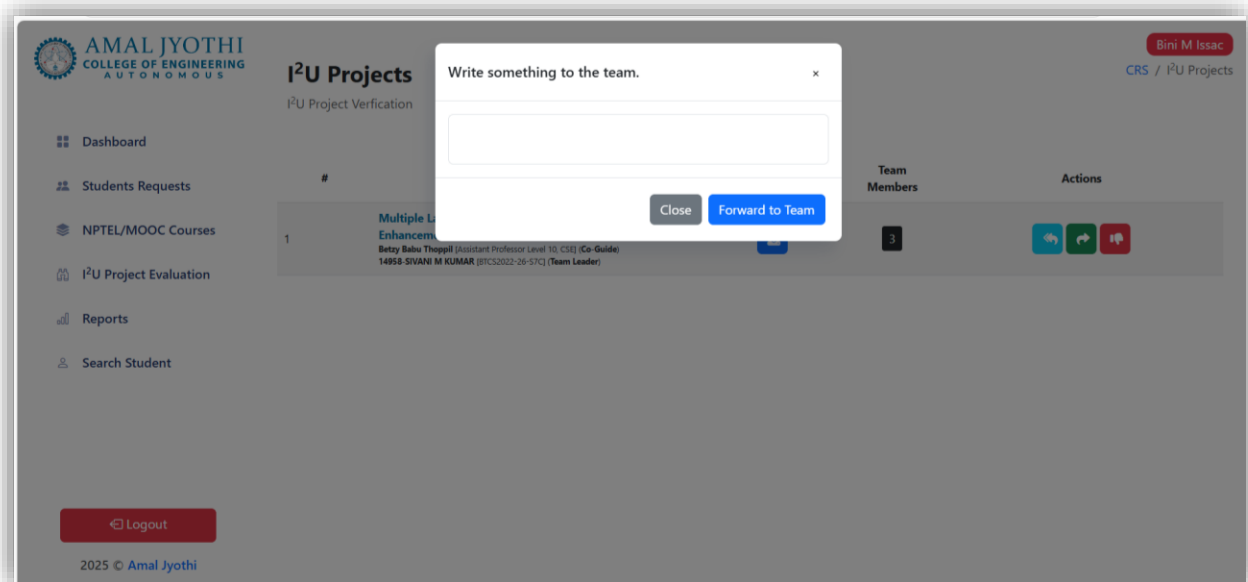

You can access the portal from CRS (“*marked as round in pic:1*”)

If you are a guide, Co-guide, HOD, or a member in internal/external expert team, then the page will show like,

From the above picture,

- a. The button is used to inform the team to make changes in project proposal and there is a provision to enter comments also [shown below].
- b. Used to forward for next level of evaluation.
- c. Used to reject the proposal.

View team members

The screenshot shows a web application interface for Amal Jyothi College of Engineering & Technology. A modal titled "Project Members" is open, displaying a table with three members. The background interface includes a sidebar with navigation links: Dashboard, Students Request, NPTEL/MOOC, I²U Project Evaluation, Reports, and Search Student. The top right corner shows the user "Bini M Issac" and the page title "CRS / PU Projects". A "Logout" button is at the bottom left, and the footer reads "2025 © Amal Jyothi".
