

Resume Building Workshop

Recipients	Final year B.Tech students
Date and Time	27 th of October, 2021, 10:30 AM -1:30 PM
Venue	Chavera Hall. Divisional Block C
Organized by	Makerhub IEDC, Placement Cell, Department of Mechanical Engineering- Automobile, AJCE
Presided by	Prof. Dr. Ajithkumar J P, HIC, MEA Prof. Rony Tom Prof. Nixon Poulouse, AP/MEA

In association with Makerhub IEDC, Placement Cell of AJCE and the department of Mechanical Engineering Automobile organized a Resume Building Workshop on 27th October 2021 in our college. Around 30 final year students participated in that programme. Prof. Dr. Ajithkumar J P /HIC, MEA addressed the students on the significance of creating a perfect resume and handed over the session to Prof. Rony Tom, Placement Officer, AJCE,

The programme consisted of brief details like building an ideal resume to attract the companies, the need for a resume in order to get placements and how to transform a resume into a powerful tool to get interviews and so on.

Prof. Rony Tom's talk has inspired our students to identify the importance of a resume and to build a flawless resume to get placement in industries. He also encouraged the students to prepare an exquisite resume for future use.

Poster and photograph from the session are included.
